

BuzzGrass: New and Improved 10 Year Warranty

You spoke, we listened.

Whilst we have always felt we offered one of the most competitive turf warranties in the industry, we learned that some of our customers felt a little confused. As a result, we have decided to remove the technical jargon and introduce a simple, easy to understand 10 year warranty that we will always stand by- no matter what!

Warranty details:

- **Subject to fair wear and tear and correct installation, BuzzGrass warrants that the supplied turf will be free of defects for a period of ten (10) years;**
- **In the unlikely event that an issue does occur, give us a call and if there is a fault or defect, we will either repair or replace the affected area.**

Whilst we'd love to cover everything under the warranty, unfortunately there are a few things that we can't...

What *isn't* covered:

- Issues arising from poor / incorrect / improper installation incl. sub-base preparation or incorrect use of infill or installation materials;
- Failure to properly maintain, protect or repair the artificial grass;
- General colour fade over time;
- Use of chemicals, herbicides or pesticides or improper cleaning methods;
- Damage caused by wild animals or domestic pets;
- Fire (incl. use of BBQ's, patio heaters etc), burns, cuts, accidents, vandalism, abuse, negligence or neglect;
- Acts of God or other conditions beyond the reasonable control of BuzzGrass i.e. storms, floods etc;
- Ground movement or subsidence incl. tree Root Growth or any other horticultural external influence;
- The surface being used for the purpose other than that for which it was designed and installed;
- Installations outside of the UK or Ireland.
